Dear Sir:

I am trying to locate the origin of the Sales family from Frontenac Co. The Ontario Historical Society referred me to you, saying you had made a study of some of the families in the eastern part of Ontario. Since the government did not keep vital statistics until 1869 I must turn to other sources which is why I'm writing to you.

I wonder if you would have any information on one Albert Dubois Sales who married Mary Ann Thelissa Thilligan and was born May 29, 1848, Frontenac County, Olden Twp. or the Robinson family from either Esqueving Township Hutton Co., or Jarvis, Haldimand Co. I have a bit more information about the Robinsons but will not bore you with it unless

there is a mutual interest.

This information is quite important to me and I would appreciate your prompt attention also if there ~~is any~~ would be any cost involved. Any suggestions about obtaining information would be greatly appreciated.

Yours truly,  
(Pers) Gene Bailey

Dear Sir:-

Please find enclosed medical slip for Asbil. Also the two dollars (\$2.00) for the shots Bruce had. I thought I'd have to call you last week again as he was complaining about his ear but seems O. K. now although both boys have colds that seem to hang on. I am feeling better to-day but was real miserable with pains in my legs and shoulders.

Alice is feeling fine now. She was here for a few days. I guess she is expecting. She went to Mr. Mylks as Norman expects to sell his car so she wouldn't be able to get out to see you. Please send me some pills.

Yours truly  
Madele Free.
